We apologize for any inconvenience this may cause Thanks John Canon has for EOS Utility 2.. The first compatibility consideration for Canon DSLR owners is that Canon EOS Utility reportedly does not work under Mac OS X Lion.. Nikon has issued the following statement regarding Mac OS X version 10.7 Lion Compatibility (note that 'plan to test' does not mean 'currently functions properly'): We plan to test the Macintosh versions of the following software applications for compatibility with Mac OS X version 10.
